

Press release

15 August 2018

National Coach

Cricket Namibia would like to announce a change in our coaching structure. Our Mens National Coach, Dee Thakur, will shortly be moving into a new position of responsibility as the manager and coaching coordinator of our age group and development programme. At the same time, we have commenced a search for his replacement as the Mens National Coach.

Dee Thakur has been the Mens National Coach since 2015 and in this capacity has been responsible for preparing the Men's Senior Cricket Team for all cricketing formats including ICC qualification events. He was also responsible for the high performance set up as well as strategic and operational planning which included assisting with developing comprehensive plans and supporting programs that were in line with Cricket Namibia's strategic short, medium and long-term objectives for cricket development at all levels. Mr Thakur invigorated our cricketing spirit and helped bring even more pride to our activities. As the outgoing National Coach Mr Thakur is leaving huge shoes to be filled.

Cricket Namibia would like to express our respect and appreciation to Dee for his effort, commitment and achievements over the past years. Anybody who has worked with him will be familiar with his positive attitude, deep knowledge and infectious humour. Some highlights of his tenure include significant international achievements, such as victories over Scotland and the UAE, as well as reaching the final of the Sunfoil 1-day in 2017 and the Sunfoil 3-day in 2018, both of which were first time events for Namibia.
